

8 Ways iRecruit Increases Your Efficiency as a Recruiter

1

SAVE TIME! Eliminate the manual tracking of candidates by spreadsheets and email. iRecruit provides an easy-to-use, secure way to track all of your in-house recruiting activity with applicants and candidates in the cloud.

2

Post Jobs Instantly Post unlimited jobs to your iRecruit career portal and attract candidates quickly with iRecruit's free integration to Indeed.com, Monster.com and engage passive candidates on **Social Media** sites like LinkedIn, Facebook and Twitter.

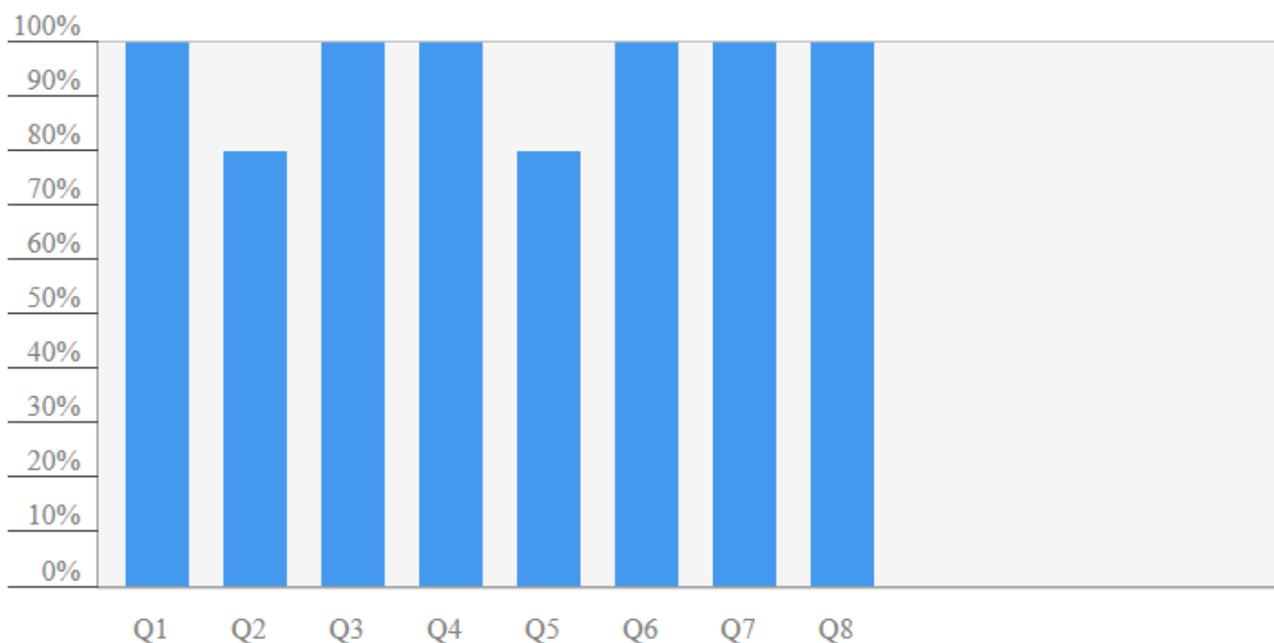

3

Identify Top Candidates Quickly

Automatically rank and score candidates based on their response to scored application questions.

Availability_for_Work	
Question: If hired, are you legally eligible to work in the United States?	<i>Question Weight:</i>
Answer: Yes	<i>Answer Weight:</i> 10
Question: Have you been previously employed by this company?	<i>Question Weight:</i>
Answer: Yes	<i>Answer Weight:</i> 10
Question: How were you referred?	<i>Question Weight:</i>
Answer: Employee	<i>Answer Weight:</i> 20
Total Score: 110	

4

Include Hiring Team Involve Hiring Managers as part of your recruiting team by assigning them to positions.

Or Engage via email and receive feedback via mobile, or desktop.

5

Report Track applicants through all your hiring stages and add notes. Instant reports with no data entry required.

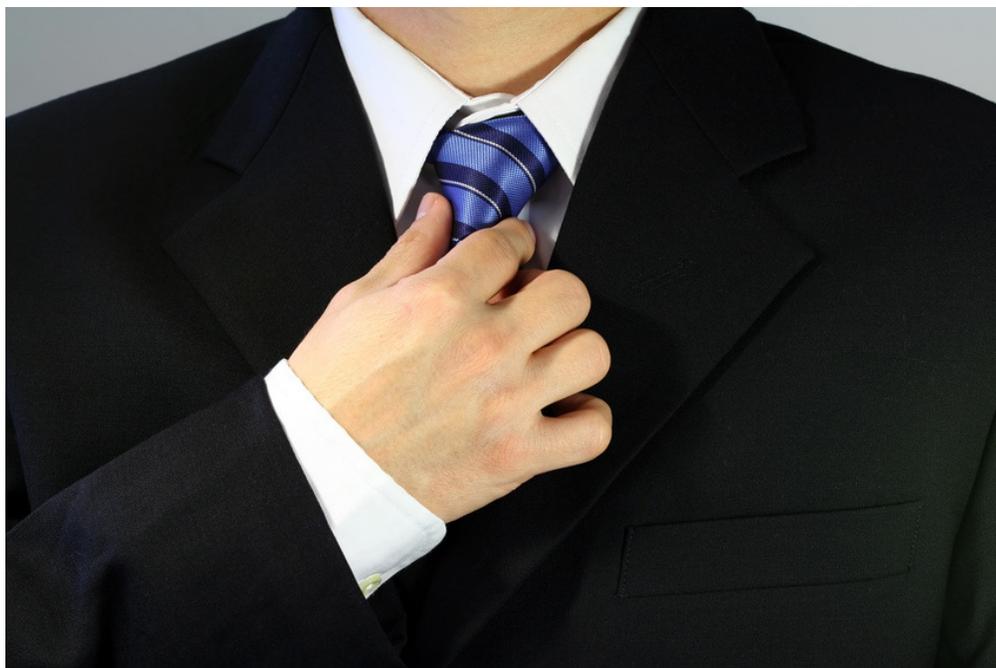

6

Treat Candidates Like Customers

Engage candidates with multiple points of contact throughout your hiring process and beyond, including email and interview scheduling, and marketing your available roles.

7

Save on New Hires with WOTC

The Work Opportunity Tax Credit is a Federal tax credit available to employers for hiring individuals from target groups that have consistently faced significant employment barriers. The tax credit ranges from \$1,800 to \$9,600. On average 10-15% of new hires qualify.

8

ONBOARDING NEW HIRES

Connect to your new hires using **iConnect**. iConnect takes the pain out of onboarding by offering a paperless solution that is integrated with your applicant tracking software.

For less than the price of **ONE** job posting to CareerBuilder or Monster, you can have a complete, flexible applicant tracking system.
