iRecruit and Indeed Join Forces to Enhance Recruiting Efficiency

Farmington, CT – iRecruit today announced a strategic partnership with Indeed, the world's number one job site. This partnership will benefit job applicants and employers by streamlining the job application process, ultimately leading to more applicants and enhanced recruiting efficiency.

Indeed Webinar Recording from 8/21/2019

Verified First Background Screening Integration Webinar

Join us on September 25th at 1.30pm tp learn how to streamline the hiring process through the integration of pre-employment background screening services. Our partner, Verified First, provides one of the quickest and most efficient background and drug screening services on the market today.

Note About the I-9 Form Expiration

The I-9, Employment Eligibility Verification Form, that employers have been using since July 2017 expired on August 31, 2019. Until USCIS makes any additional announcements on I-9 Central, employers should plan to continue to use the current form.

iRecruit Average Number of Employment Applications August 2019

iRecruit's customers have received an average of **140** new employment applications in the month of August 2019. This down from July, which averaged 158. The number of applications by customer typically varies based on the number of jobs posted.

iRecruit Training in September

Join us September 12th at 1pm to learn how to manage common Administration tasks such as managing users accounts. Then on September 26th for the General User Refresh Training (bring all questions) at 1pm Eastern Time.
